Our Little of

Corner
the World

Our Little Corner of the World

We enter the halls of our high school with the inherent apprehensions of freshmen; we leave, as seniors, with a reluctance born of good times and fond memories. We soon learn that there is little in high school life to fear, but much to enjoy. For practically every student is soon absorbed into the numerous activities which are offered by our school. DHS becomes a never-to-be-forgotten part of the life of the student who spends his high school days here.

For most of us, our high school is the center of our lives for four important years. While Davenport is an accredited high school which fulfills its obligation in the field of instruction, it offers more than an academic education. We receive equally valuable schooling in social living through our relations with our fellow students. A relaxed and informal atmosphere pervades the school; and the students, in turn, reflect the benefits of such a student-teacher relationship. Thus, it is that a Davenport High School student soon finds his own niche, however great or small, in the life within these walls.

The after-hours' research and class preparation which the teachers pursue is matched by the students' ever-increasing interest and dedication to our high school's extra-curricular program. This program serves to keep alive not only student pride and morale but also community interest in the school. The end result of the meshing of the school's two programs--academic and extra-curricular--is made manifest in our cherished way of life. And to us, the students who inhabit its halls, DHS truly becomes "Our Little Corner of the World."

These seniors were the organizers of this year's "GORILLA." Their experience and talent produced fine results when they took over the management of the 1964 Annual Staff. Joy Luck, Layout Editor; Dan Milligan, Editor; Jim Lilje, Business Manager; Susan Brown, Copy Editor; and Don Carlton, Photographer are shown here at an executive meeting.

ALMA MATER

We're loyal to you Davenport High,
We're crimson and white Davenport High,
We'll back you to stand 'gainst the
best in the land
For we know you're the stand
Davenport High.

So smash that blockade Davenport High,
Go crashing ahead Davenport High,
Our team is our fame protector
On boys for they have gained a victory
For you, Davenport High.

CHEE CHA CHA-AH-AH DAVENPORT, DAVENPORT, DAVENPORT

Bring out the dear old flag of crimson
and white,
Lead on the team that fought so nobly
for right,
Like men of old, on giants placing
reliance,
Shouting defiance, Os-Kee-Wa-Wa!
Amid the great broad fields that nourish
our land
For honest battle and for freedom we
stand
And unto you, we pledge our hearts
and hands,
Dear DHS we're true to you.

Administration

Administrators Extend Advice and Good Wishes

I would like to extend the congratulations of the entire staff to the class of 1964 upon completion of your secondary education.

Your presence will be missed in the classrooms and halls of DHS for we have all benefited from your acquaintance and association, and from your past leadership and willing cooperation in all activities. Your loyal support of the school, its traditions and its ideals, and your sincerity of purpose have won the respect of all.

We hope the past twelve years have been profitable and pleasant, and that you have enriched your minds to master the problems that you will face as adults. We wish you a rewarding life and, remember, we are all interested in your future.

Lloyd Stannard

Within these covers are pictured twelve months of glorious Davenport High School life with all its successes and failures.

Many students have taken part in the activities during their high school days. They have painted a picture of Davenport High School which will long be remembered by all. Congratulations to the Seniors for work well done.

ASB Sponsors High School Open House

As we finish another school year, I thank you students for the honor of letting me serve as your president.

During our high school years, we sometimes become so involved in extra-curricular activities that we forget the real reason for attending school. It is our grades--our scholastic achievement--that count. We're in the best educational system in the world, in the greatest country in the world. It is an opportunity we can't afford to miss.

So to my successor as president in particular, and to all the students in general, I wish the best of luck in 1964-65.

This left the five seniors outnumbered two to one after the pledges became voting members.

Of course, the Science Club trip, as always, was the highlight of the year. A busload of happy, excited students left "Our Little Corner of the World" at nine o'clock on the morning of April 7, 1964. On the way to Seattle, the group stopped off at CWSC, at Ellensburg, to tour their ultra-modern library and science labs. Early the next morning, an all day trip to the ocean and breakfast at the Seattle-Tacoma airport were on the schedule. Thursday, Boeing Aircraft Company, KING television studios, and the Pure Food and Drug lab were on the agenda, with lunch at the Boeing cafeteria. Friday, after checking out of the hotel, the group toured the Bethlehem Steel plant and Woodland Park Zoo before eating lunch and returning home.

Linda Strate, a senior with amazing vocal abilities, was selected to participate in All-State Chorus this year.

Here she is pictured during a solo at the Davenport Winter Concert.

Choral Groups Produce Harmonious Sounds

The chorus was not so large as in past years, but it made up for lack in numbers with the melody it produced. Many of the group participated in the bi-county music festival at Odessa. The select chorus presented programs in combination with the band at concerts.

Linda Strate (first soprano), Lynn Baxter (second soprano), and Rollie Buchser (alto) comprised a trio that was delightful to see and to hear. They performed at concerts and community events.

Barbara Paeper, a fine pianist, accompanied the chorus as well as select groups.

Newly-Formed Literary Seminar Plunges into Advanced Study

A seminar consisting of chosen students from Davenport and Harrington high schools was initiated this year to encourage able students toward deeper reading and thinking. The Davenport group included: Marilee Mooers, Renne Ricketts, Jerry Kissler, Jay Leupham, Jane Warwick, Mike Hardin, Joy Luck, and Jeff Remington. Mr. Duane Shelby was the seminar counselor.

The informal discussions that were held were enhanced by visits from Washington State University and Eastern Washington State College professors. During the year the Literary Seminar traveled to Pullman for a meeting to discuss the Honors' Program and other varied topics with outstanding educators from the University.

The entire year's program culminated with a written paper in which each student could apply his newly gained knowledge.

Thespians at Work and Play

The Thespians, following their custom of hard work and determined effort, have this year produced and directed the Christmas play "Too Much Christmas."

In addition, Thespian Troupe 1439 sponsored a lucrative cake sale which furnished the funds for a trip to Northwest District Thespian Conference in Seattle.

An informal initiation was conducted in December and a formal initiation in May. Other activities were a dance after a basketball game and a meeting at which interested persons could learn the fundamentals of make-up.

Guided by Coach Hank Coplen, who spent his first year at Davenport, the Gorillas posted a five-win and three-loss record for the season. Although hampered throughout the year by injuries to key personnel, Coach Coplen kept team spirit at a peak. This enabled the Gorillas to attain comeback and upset victories early in the year.

Led by team co-captain Norm Sierra, the principal ball carriers were Jerry Abbott, Doug Luten, and Larry Canfield. Ends Jerry Kissler and Tom Butsell were the primary targets for Jeff Remington's passes. Many team members saw duty on both the offensive and defensive lines.

Graduation took five seniors from the Davenport lineup, but returning lettermen and players from a fine B-squad gave Gorilla fans good reason to look forward to future winning seasons.

At District, DHS beat Springdale and Wellpinit but lost to Sprague. In the final game to determine a representative to State, the Gorillas lost to Harrington on a last second basket, 54-52.

Juniors Present DOCTOR'S ORDERS

On November 7 and 8, 1963, the junior class, after many trials and tribulations, staged a production entitled DOCTOR'S ORDERS by Kurtz Gordon. This excellent comedy brought over \$200 to the coffers of the juniors thus breaking all previous records for attendance.

Urged on to their utmost efforts by Mr. Duane Shelby, director, and Jacquie Rauch, student director, the cast had the audience almost in fits of laughter.
